RE: Now that I-1125 is on the ballot, please don't forget about us

Later today, the Secretary of State's office will be notifying us that their signature check on I-1125 is now complete -- WE'RE GOING TO QUALIFY EASILY. They confirmed we turned in 328,632 signatures, nearly 100,000 more than necessary. We're thrilled that voters will get the chance to approve I-1125 and close the loopholes that Olympia put in last year's voter-approved I-1053.

For months, we've repeatedly asked all of you -- our loyal supporters -- to financially support the signature drive for I-1125. Jack, Mike, and I do not receive any compensation from the signature campaign -- by focusing everyone's collective financial resources on the single task of ensuring the success of I-1125, we succeeded at making it over the finish line.

Now that we've accomplished our goal, please don't forget about us. Others who do political campaigns either set a fixed salary for themselves or they receive a percentage of the donations received. We don't. Instead, we simply "pass the hat," asking our supporters -- after the measure is on the ballot -- to contribute to our separate, stand-alone compensation fund called "Help Us Help Taxpayers."

It's a unique way to be compensated ... but frankly, we're proud of it.

We don't determine how much we're worth -- all of you do. We don't decide how much we earn -- all of you do.

This approach puts our supporters in control: all of you will determine how much compensation the three of us will receive for our effective political work. We ask each of you to be as generous as possible. We work really hard all year every year on all sorts of pro-taxpayer efforts -- we work for years prior to the initiative's filing perfecting the legal language, we lead the signature drives, we promote the measures in speeches and interviews, and after their approval by voters, we defend them from legislative and judicial attack. We've done everything possible over the past 15 years to fight for the taxpayers' interests.

Our program only works if supporters don't forget about us.

Jack, Mike, and I are extremely grateful for the folks who contribute to our compensation fund. If you like and appreciate our past, current, and future efforts on behalf of taxpayers, please send us a donation for \$10, \$25, \$50, \$100, \$250, \$500, \$1,000, \$2500, \$5000 or more (there are no limits on how much can be given). Please consider a monthly pledge from now through December for our fund. We ask you to please help us help taxpayers. You can go to our website -- <http://www.VotersWantMoreChoices.com> ... *sometimes this web link doesn't work so please cut and paste it if you have to, sorry for the extra step* -- and make a secure PayPal or VISA or MasterCard contribution - - OR, you can print out the form below, fill it out, and return it with a check or credit card information. Your voluntary contribution to our compensation fund will be divided between the three of us and compensate us for our political work.

Congratulations again on I-1125. As for our compensation fund, we would be extremely grateful for any financial assistance you can offer. Thanks.
