To: Our thousands of supporters throughout the state (cc'd to the media, house & senate members, and Governor)

RE: King County's \$20 car tab tax: Liars, Sell-Out, & Switzerland -- FORWARD THIS TO EVERYONE

Attached is a PDF file and here is a link: <http://www.voterswantmorechoices.com/Liar.pdf> -- FORWARD THIS TO EVERYONE. This needs to be put up on every refrigerator and bulletin board possible over the coming days, weeks, and months. The King County Council is voting today at 1:30 pm and so at this point, the thing to do is educate the voters about this betrayal so these politicians can be held accountable in any current and future elections.

"Whatever happened to our \$30 car tabs?" We hear it all the time from citizens. Voters have twice approved \$30 car tabs and required that anything higher than \$30 requires voter approval. It's what the voters demanded and what the politicians promised (fter I-695 was rejected by the courts -- Governor Gary Locke said "Regardless of the court's ruling today, \$30 tabs are here to stay.").

How should we fight back against their betrayal?

1) Here's their email addresses - let 'em know how you feel about their betrayal: jane.hague@kingcounty.gov; kathy.lambert@kingcounty.gov; jane_hague@yahoo.com; kathy@kathylambert.com; julia.patterson@kingcounty.gov; bob.ferguson@kingcounty.gov; tim_eyman@comcast.net

2) Punish them at the polls for their current or future races (for example, Jane Hague wants your vote for her County Council re-election on Tuesday -- Bob Ferguson wants your vote in his race for Attorney General next year).

Again, attached is a PDF file and here is a link: <http://www.voterswantmorechoices.com/Liar.pdf> -- FORWARD THIS TO EVERYONE. Let's educate the voters on who NOT to vote for now and in the future.

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
