Gregoire is stealing your vote on I-1125 - we're stopping her. Our attorney Dick Stephens explains:

"A lawsuit has been filed this week challenging the State's attempt to circumvent Initiative 1125. The people of the State of Washington are now voting on Initiative 1125 which institutes some basic protections with regard to tolling policy. Knowing this, the State Finance Committee, composed of the Governor, the Lieutenant Governor and the State Treasurer, held a last minute special meeting with less than two days public notice to authorize the sale of bonds. These bonds pledge tolls from the 520 bridge, based on a variable tolling scheme which will be prohibited if the initiative is approved by voters.

"Issuing bonds on a variable tolling scheme at the last minute, days before the election, is an obvious attempt by three State officials to bind the hands of the voters for the next 30 years. If their scheme is not challenged (immediately), this tactic will give the state an argument that the people's vote on Initiative 1125 came one week too late.

"On behalf of all Washington voters, this suit is a defense against this below-the-radar-screen attempt by state officials to undermine the people's right to initiative and right to vote."

The voters are currently voting on I-1125 -- politicians like Gregoire should not get away with secretly undermining those citizen decisions in a desperate attempt to silence the people's voice and kill democracy. Our lawsuit stops Gregoire's attempted sabotage of I-1125.

Even though our internal polling among likely voters shows I-1125 ahead, we know it's gonna be close. We need everyone to tell everyone about Gregoire's attempted sabotage of I-1125. Email your friends. Call your relatives. Talk with your co-workers. Tell them what Gregoire's doing, tell them we're fighting back, and encourage them to vote yes on I-1125.
