RE: No New Taxes 2012 -- help us with our top priority this year

One of our top priorities in 2012 is beating back tax increases (which helps explain our political action committee's name change to: Voters Want More Choices "No New Taxes 2012"). That means fighting against the umpteen bills that will be pushed in Olympia to unilaterally increase taxes (Democrats' new income tax bill, Democrats' new property tax increase, Democrats' new capital gains tax bill).

But we feel it is particularly important for us to take the lead in opposing the two tax increases being put on the ballot (Gregoire's 10% sales tax on the April ballot and her task force's \$21 billion tax increase on the November ballot). We don't want them increased in Olympia and we don't want them put on the ballot (and if they are put on the ballot, we want voters to vote no). Voters have repeatedly made their opposition to higher taxes abundantly clear, rejecting a new state income tax and new taxes on candy and beverages. We firmly believe that when voters said no to 2 cents on a can of pop, it should have been obvious to everyone that voters can't stomach higher taxes, especially now when the economy and family budgets continue to struggle.

As for our initiative efforts in 2012, we want to see how the legislative session unfolds before deciding which initiative(s) will be pushed. On Friday, we filed 5 different initiatives (Son of 1053, Bring Back our \$30 Car Tabs, Let the Voters Decide on Automatic Ticketing Cameras, Protect the Initiative Act, and Stop Government Fraud Act). Each one tackles a serious public policy problem. There will likely be others. Which one(s) we'll do in 2012 will be announced later. On several issues, Olympia isn't listening to the people and so if they aren't going to solve these problems, we'd like to give the voters the chance to.

We need your help to fight. Please send us a donation for \$10, \$25, \$50, \$100, \$250, \$500, \$1000, \$2500, \$5000 or more (there are no limits on how much can be given). Please consider a monthly pledge. You can make a secure PayPal / VISA / MC contribution by going to our website -- [www.VotersWantMoreChoices.com](http://www.VotersWantMoreChoices.com) -- *sometimes clicking on this link doesn't work so please cut and paste it if you have to, sorry for the extra step* -- OR, you can print out the form below, fill it out, and return it with a check or credit card information.

With your help, there's no team, no group, no organization that is more effective than we are at protecting taxpayers. We ask for your support so we can continue fighting. Thank you.

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
