RE: Just 11 days left - what's most needed is your most generous donation

Do you want it to be tough for Olympia to raise taxes or easy? We're doing this year's Initiative 1185 because we want to keep it the way it is now: tough. Taxpayers work hard for their money; it oughta be hard for the government politicians to take it away.

This initiative has worked every time. Every time it's been on the ballot, the voters have approved it. Every time the voters have approved it, it has made it harder for Olympia to raise taxes. EVERY TIME.

We're got just 11 days left. The deadline to turn in signatures to the Secretary of State is a week from Friday (July 6th).

Being so close to the deadline, what's most needed is your most generous donation. Our paid petitioners are braving the wind and rain to collect voter signatures on our behalf -- we need everyone's financial help to make sure we can pay the bills for their services.

Over the past 20 years, the 2/3 policy have proven itself as effective at protecting all taxpayers so it is a worth your time, effort, and financial support.

Please send us a contribution for \$10, \$25, \$50, \$100, \$250, \$500, \$1000, \$2500, \$5000 or more (there are no limits on how much can be given). We urge you to strongly consider a monthly contribution. You can make a secure PayPal or VISA or MasterCard contribution by going to our website -- www.VotersWantMoreChoices.com -- OR, you can print out the form below, fill it out, and return it with a check or credit card information.

This is the most effective counter-offensive to Olympia's tax-raising agenda. It's the right proposal for the right time. Help make it happen. FULL STEAM AHEAD!

Sincerely, Tim Eyman, Jack Fagan, & Mike Fagan, **Fighting for Taxpayers for 15 Years**, ph: 425-493-9127, email: tim_eyman@comcast.net

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
