RE: I-1185 officially qualifies for Nov vote (I would hate to be the opposition)

Last Friday, the Secretary of State finished its signature check and officially certified I-1185 for the November ballot.

Thank you. Thank you. Thank you. We're having an historic 5th vote for the 2/3 protection because all of you -- our thousands of supporters throughout the state -- helped us get those 320,000+ signatures by the July 6th deadline. Whether you donated money or collected signatures (or both), we couldn't have succeeded without your efforts.

The taxpayers of Washington are lucky to have you working so hard to protect them.

Because the voters have passed the 2/3 protection every time it's been on the ballot -- four times -- I would hate to be the opposition. Imagine how tough it will be for them to convince the voters that they can trust Olympia!! Just 2 years ago, the Legislature suspended the 2/3 and unilaterally imposed a whopping \$6.7 billion in higher taxes. It is simply imperative that the taxpayers reinforce this essential protection. Vote yes on Initiative 1185.

Jack, Mike, and I only ask for compensation after the signature drive is completed. Now that I-1185 has made it, please don't forget about us.

Jack, Mike, and I are extremely grateful for the folks who contribute to our compensation fund. We ask that you continue that support. If you like and appreciate our past, current, and future efforts on behalf of taxpayers, please send us a donation for \$10, \$25, \$50, \$100, \$250, \$500, \$1,000, \$2500, \$5000 or more (there are no limits on how much can be given). Please consider a monthly pledge from now through December for our fund. We ask you to please help us help taxpayers. You can go to our website -- www.VotersWantMoreChoices.com and make a secure on-line contribution by PayPal or VISA or MasterCard. OR, you can print [this form](#), fill it out, and return it with a check or credit card information. Your voluntary contribution to our compensation fund will be divided between the three of us and compensate us for our political work.

Congratulations again on I-1185. As for our compensation fund, we would be extremely grateful for any financial assistance you can offer. Thanks!

Sincerely,

Tim Eyman, Jack Fagan, & Mike Fagan

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to

raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes?
Please [help us](#) so we can continue our successful efforts on behalf of taxpayers.

Each year, from January through June, we ask that you focus your donations toward the signature gathering campaign - this year, thanks to your help, we succeeded at qualifying I-1185 for the ballot.

Each year, from July through December, we ask that you focus your contributions toward "Help Us Help Taxpayers", the compensation fund for Jack, Mike, and Tim.

Now that I-1185 is assured a place on the November ballot, we ask that each and every one of you send in your most generous contribution so we can continue our fight on behalf of taxpayers.
