

Jay Inslee pushing for Higher Taxes

December 22, 2014

To: Our fellow taxpayers:

Jay Inslee is pushing for \$10 billion in higher taxes for the general fund (he's calling it a capital gains tax but it's really an obnoxious state income tax) and \$10 billion in higher transportation taxes (he's calling it a carbon tax but it'll end up being a tax on everyone). He's also pushing to give a green light to Sound Transit to jack up property taxes, sales taxes, and car tab taxes to pay for their multi-billion dollar choo choo trains and other boondoggles.

Do you trust the politicians in Olympia to only raise taxes as a last resort? We don't.

State and local governments are scrambling for more money because their spending plans are radically bigger than their cash flow. And so they're licking their chops at the chance to force taxpayers to bail them out for their reckless spending binge. Our past initiatives have put up substantial roadblocks to their plans. But they're not enough.

Our top priority in 2015 is beating back tax increases (which explains the name change to our political action committee: Voters Want More Choices "No New Taxes 2015"). That means fighting against the laundry list of bills that will be pushed in Olympia to unilaterally increase taxes during this year's legislative session. In addition, we need to work overtime to beat back politicians' already announced plans to dismantle the people's initiative process. All their anti-initiative bills must be stopped.

As for initiatives in 2015, on January 5th, we filed several different initiatives (2/3-For-Taxes Constitutional Amendment, Bring Back Our \$30 Car Tabs, Stop Red-Light Ticketing Cameras, No More Tolls, etc.). Which one(s) we'll do this year will be announced later. Stay tuned.

EVERYTHING we've accomplished is because people like you are willing to contribute some of your disposable income toward our efforts. Millions of taxpayers benefit but only a few thousand donate to make them a reality. You are the key to our successes.

Please send us a donation for \$10, \$25, \$50, \$100, \$250, \$500, \$1000, \$2500, \$5000 or more (there are no limits on how much can be given). Please consider a monthly pledge. You can make a secure PayPal/VISA/MC contribution at -- www.VotersWantMoreChoices.com -- OR, you can fill out the form below, and return it with a check or credit card information.

With your help, there's no team, no group, no organization that is more effective than we are at protecting taxpayers. We ask for your support so we can continue fighting. Thank you.

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.

We can accomplish anything by working together and never giving up!!
