RE: Tell Republicans: don't fall for the Democrats' tax trap -- reject all tax hikes

Democrats in Olympia know that every one of their house and senate members have been branded "TAX RAISER". Ever since Jay Inslee got elected Governor, every Democrat in Olympia has been going whole hog trying to increase taxes. Voters completely repudiated the Democrats last November and unless something changes, it'll happen again in 2016.

That's why the Democrats are so desperate to get the Republicans to join them in raising taxes -- *any taxes*. It doesn't matter how much or on whom -- they just need the GOP to give them political cover. In the 2016 election cycle, they wanna be able to say: "*Don't blame us, both parties raised taxes.*" Which means no more Republican gains in the state house, a loss of control in the state senate, and a reelected Democrat governor.

It's a total trap.

We need everyone to tell Republican Senators and House members not to fall

Voters Want More Choices

for it.

Below are the email addresses for Republican legislators (both Senate and House).

Send them an email, preferably RIGHT NOW. Write something like this (feel free to add more, tell 'em how you feel): *"Don't fall for the Democrats' tax trap. If any of you vote for tax increases -- any tax increases -- you'll be doing exactly what Democrats want and Inslee needs: giving them political cover for their tax hiking agenda. In 2013 and 2014, you were the we're-not-gonna-to-raise-your-taxes Party. The voters rewarded you, giving you more seats in the state house and state senate. If any of you vote to raise taxes this session, you guarantee Inslee's reelection and taxpayers will suffer. Voters don't want taxes raised on anyone. Don't fall for the Democrats' tax trap."*

Cut and paste the following email addresses into the "To" line (if you have trouble, send me your email and I'll forward it to legislators):

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
