**RE: 7 days to raise \$71,550 (yesterday it was \$77,000) -- it's crunch time for signature drive**

3 more heroes stepped forward yesterday to help ensure the success of the signature drive for the 2/3-For-Taxes Constitutional Amendment Initiative. Yesterday, we announced that we were \$77,000 short of our goal. But then I got 3 emails yesterday:

From Rose Rotella (who had previously donated \$10,000 in March): *"I will mail an additional 5K. I do appreciate the dedication and effort you have given to all of this"*

From Bill Reiersen (he's already given \$400): *"Tim, Mark me down for another \$250. I'll put a check in the mail tonight."*

From Phil Carter: *"Yes, I went to the initiative site and contributed \$200 already via credit card...I really appreciate your relentless defense of the taxpayers...Good luck..."*

Because of their heroic support, we are closer to our goal.

Now we have 7 days to raise \$71,550.

Please -- right now -- make checks payable to "2/3 Constitutional Amendment" and mail your checks to: 2/3 Constitutional Amendment, PO Box 18250, Spokane, WA, 99228

We need more heroes like Rose and Bill & Phil to ensure this initiative's signature drive is a success.

If you haven't donated yet, please do it now. If you've already contributed, thank you very, very much -- but please contribute again.

We've worked too hard and invested too much to fall short now.

A 2/3-For-Taxes Constitutional Amendment means permanent protection from Olympia's insatiable tax appetite. It's really exciting. Initiative 1366 is the most needed policy proposal we've ever done.

Please help us make it happen.

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
