RE: Democrats renege, Thursday meeting cancelled, Dems willing to take the heat to take over Senate

Democrats on the King County Council obviously think they can get away with it. Let's show this old adage is true: *"Only after feeling the heat do politicians ever see the light."*

Last night, 31st district Republican PCO's chose newly elected house member Phil Fortunato as their first choice for successor for Pam Roach's Senate seat.

Phil Fortunato (left) is #1 choice of the PCO's. As for David Patrick #2 and Cheryl Marshall #3, both ultimately want Phil to get it.

Despite confirming multiple times that they'd do Q&A with the 3 appointees this Thursday at 1:30 pm, the Democrat-controlled King County Council has now reneged on that promise.

This exact same thing happened for a house seat appointment in 2014 and it got delayed for 60 days because of this same gamesmanship (thenewstribune.com). They're following the same playbook. It's deja vu all over again.

Why are they doing this? To take over the state senate. A tie in the senate means uber-activist Cyrus "I-believe-new-revenue-is-necessary" Habib stage a coup, allowing minority Democrats to take over and jam through a laundry list of liberal legislation until Pam's successor gets in.

The only chance we have to stop them from getting away with it is by putting a spotlight on their despicable dereliction of duty.

Email this or something like this:

"Chairman McDermott and other Democrats on the King County Council: the PCO's have done their jobs, now do yours. Stop delaying, stop obstructing, we know what you're doing. The voters of the 31st district deserve representation in the Legislature starting on day 1 of the session."

An email from you right now will really help. All of us working together can really make a difference.

You can count on us to fight against state and local government's insatiable tax appetite. The voters' passage of our Initiative 1366 last year certainly shows that the people are in no mood for any tax hikes, let alone Inslee's increases totaling \$5.5 billion (theolympian.com).

If you like and appreciate our past, current, and future efforts on behalf of taxpayers, please send us a donation for \$10, \$25, \$50, \$100, \$250, \$500, \$1000, \$2500, \$5000 or more (there are no limits on how much can be given). OR, you can print [this form](#), fill it out, and return it with a check or credit card information.

We've done so many amazing things over the past 17 years, but that's only been possible thanks to successful benefactors like you. We ask you to please help us help taxpayers.

Please donate TODAY.

Thank you.

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
