Email them this or something like this:

*"MCC members, you deserve this award because you listened to the people who elected you. Always remember that Inslee / Democrats / Big Labor / WEA-sponsored judges / the media may sound loud but their rhetoric and agenda only resonates with 1/3 of voters. The 2/3 of voters who oppose higher taxes will back you as long as you stay strong and block tax increases. Thank you for what you did - we are grateful you respected us and listened to us."*

You can count on us to fight against state and local government's insatiable tax appetite. The voters' passage of our Initiative 1366 certainly shows that the people are in no mood for any tax hikes, let alone Inslee's increases totaling \$5.5 billion

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
