RE: RIGHT NOW tell all 147 legislators: NO MORE TAXES

Today is the first day of the 2018 Legislative session. Seattle Democrats control the House 50-48. Seattle Democrats control the Senate 25-24. They control everything. They know their grip on power may very well be temporary. The special interest groups that fund and control the Democrats know that this is their window of opportunity for raising taxes.

One of the ways to beat back their tax-hiking agenda is to tell them NO. And to say it over and over again. NO.

Today is our first chance to do that. It's critical that every legislator hears from us RIGHT NOW.

I ask you -- RIGHT NOW -- to email this, or something like this, to ALL legislators (tell 'em what ya think):

"Legislators, I strongly oppose the 2018 legislature taking any more of the taxpayers' money. We're taxed out. The Democrats' obsession with creating and imposing an income tax, especially a capital gains income tax, will only fuel our 'We Don't Want An Income Tax Initiative' this year. We will never support an income tax -- NEVER, EVER. It's one of the things that makes Washington state special -- take that away and I'm outta here. And when it comes to Gov. Jay Inslee's proposal to impose new taxes on energy and Sen. Christine Rolfes' proposal to raise taxes on businesses: NO NO NO. Stop trying to convince us that we're undertaxed -- we're not. We're not going to tolerate even higher taxes on top of our already crushing tax burden. Don't try to take more of the people's money -- we're tapped out. Legislators, adopt a no-new-taxes budget and go home."

Subject line: NO MORE TAXES

Sending these 2 emails will really help -- BUT IT'S ONLY EFFECTIVE IF WE ALL DO IT.

Seattle Democrats control the House and Senate this legislative session. That's why we're filing TODAY our initiative for 2018: "We Don't Want An Income Tax" which prohibits the state and any local government from imposing an income tax, especially a capital gains income tax.

After 19 years of fighting for taxpayers, we've learned that the most effective way to fight the Democrats' tax-hiking schemes is by taking our case directly to the people. That's why we're moving full steam ahead with We Don't Want An Income Tax.

^^

Jack, Mike, and I are committed to protecting taxpayers. But we can't do it alone. We need everyone's help.

Sincerely, Tim Eyman, Jack Fagan, & Mike Fagan, fighting for taxpayers for 18 years, 425.493.9127

P.S. There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes? Please help us so we can continue our successful efforts on behalf of taxpayers.
